Your house holds your life story. Every improvement you make adds a chapter. It isn't what you spend that tells your tale—it's what you value. Choose the roof that suits your style.

Classic Style

From the subtle beauty of Camelot® II, to the bold shadow lines and tapered cut-outs of Slateline®, to the genuine European tile-look of Monaco®, our classic shingles offer a luxurious look at a very affordable price.

Modern Style

Sienna® adds distinction with its modern interpretation of old world elegance — and for only pennies-a-day more than standard architectural shingles.

Hand-Crafted Style

Both Grand Sequoia®, with its rugged wood-shake look, and Woodland®, designed after hand-cut European shingles, create a dramatic visual impact for prestigious homes — without the prestigious price.
