SHIBAM 

Roofing Shingles • Waterproofing • Construction Chemicals

THE COMPANY

'Shibam is a leading Importer, Distributor and Installer for Roofing Shingles, Waterproofing Systems, Construction Chemicals and Thermal Insulation Materials.' Initially, we started with waterproofing ventures and then gradually entered into the field of Roofing Shingles, Construction Chemicals and Thermal Insulations.

Since inception in 1975, we have never looked back, gaining ground with addition of innovative products in our portfolio. We offer our service to various sectors such as heavy industries, commercial and residential and clients of all sizes.

Regarding our HR policy, we have a dedicated team of professionals who are committed to achieve their team goals and this has helped us to give efficient and timely service to our clients even during crisis period. Also, we have an exceptional business credibility with our industry leading suppliers like GAF (USA), STP, BASF, etc. and this has aided us to procure the right product at the accurate price and time.

About our core strengths, the first and the foremost is our **goodwill** amongst the patrons followed by our **manpower**, strategic **location** of office and warehouses. With the wide knowledge, understanding and practice, we honestly claim our expertise in **providing everlasting solutions** in Waterproofing, Roofing Shingles, Construction Chemicals and Thermal Insulations."

THE TESTIMONIALS

We were facing severe leakage problems from our roofs in the entire resort. We were approached by Shibam and proposed to use Roofing Shingles. Since then we have gradually installed shingles on all our existing and new roofs. We are extremely satisfied with the product and the workmanship. Shibam has been our partner for waterproofing needs since 2001

MR. VIJAY SHEWAKRAMANI
(MD - Brightland Holiday Resort - Mahableswar)

Novotel Hotels

It was indeed very nice working with Shibam Ventures; the overall experience was very good. The service was really nice and respond to any particular request was prompt. The main reason to choose Shibam as our vendor would be Good Pricing and sincere effort from the team which has helped the company to go one step ahead over their competitor. I would Rate the overall experience 5 out of 5

Mercure Hotels

It has been a very good experience working with Shibam since 2009. They have always been transparent in their dealings along with reasonable pricing. Their after sales service gives them a competitive advantage

ACCESSORIES & AUXILARY

- Drain Board - Roof Gardening
- Down Take Sleeve
- Geotextile
- Quartz Sand
- LP Gas Torch
- Concrete Nails
- Grouting Pumps

ROOFING MATERIALS COMPARISON

CLAY TILES

- Natural look
- Non-combustible
- Low initial cost

- Heavy weight
- Colors may fade
- Algae formation
- Tiles break easily
- High maintenance

SLATE TILES

- Beautiful appearance
- Fireproof
- Long lasting

- Very expensive
- Very heavy weight
- Not easily available

CONCRETE TILES

- Durability
- Variety available
- Adds aesthetic value

- Heavy weight
- Difficult to install
- Expensive

METAL ROOFING

- Fire retardant
- Variety of colors
- Durable

- High initial cost
- Complex installation
- Poor aesthetic value

ASPHALT SHINGLES

- Durable
- Variety available
- Easy to repair
- Fire resistant
- Maintenance free
- 100% waterproof
- Light weight
- Adds aesthetic value

- High initial cost
- Needs a base roof

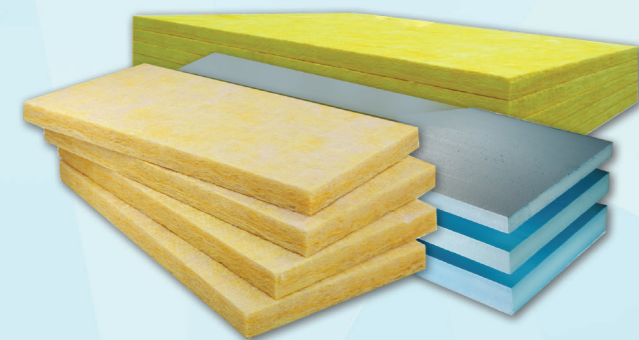

CONSTRUCTION CHEMICALS

- Concrete Admixtures ■ Concrete Repair ■ Grouts
- Concrete Surface Improvement ■ Protective Coatings
- Tile Adhesives ■ Watertight Injection Systems
- Sealants & Tapes ■ Flooring ■ Elastomeric Coatings
- Acrylic Reinforced Cementitious Coatings
- Polyurethane Coatings

THERMAL INSULATIONS

- Extruded Polystyrene (XPS) ■ Glass Wool ■ Rock Wool
- Expanded Polystyrene(Thermacole) ■ Fiber Glass Tissue

WATERPROOFING

Membranes

- APP/SBS Torch on Membranes
- APP/SBS Self Adhesive Membranes
- Self Adhesive Flashing Tape
- Synthetic Membranes

Bituminous Materials

- Industrial Bitumen ■ Liquid Membranes
- Adhesives ■ Bituminous Aluminum Coating
- Bitumen Modified PU Coating
- Sealing Compound ■ Primers
